

Honey Happenings

Hello Friend

April 2022

Another busy month!

The maintenance around Overtoun House is ongoing and never ending for this 170+ year old house! I (Ryan) recently sorted a leak in the roof. Phil and I filled in the large hole in the dining room ceiling. The decorative plasterwork still needs to be done.

Chris did a video project recently for church that included friends from church. She enjoyed putting together an encouraging message with the help of these folks.

A funny story from **Globe Kids!** When we signed onto Zoom, we didn't realize that we opted for an automatic camera zoom. Chris started talking to Doozer and when Doozer responded, so did the Ipad! It auto zoomed to show the once hidden Ryan. The kids laughed and laughed! We LOVE prayer time with them! They listen to one another and without any direction from us, they not only pray for one another they also pray for us! They are a precious group of missionary kids!

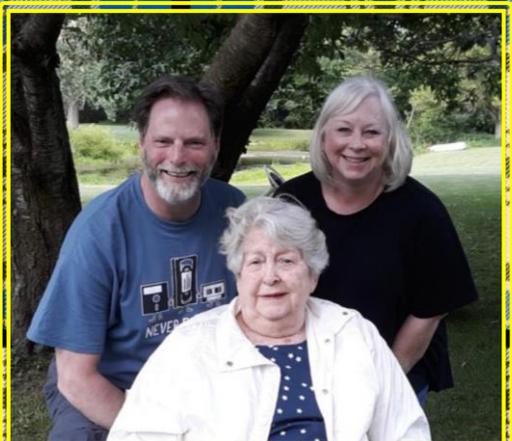

Thank YOU for your love, support in prayer and monthly investments! Not just a donation; but partnering with us to make a difference! Together, we are sharing the hope of Jesus and YOU share in the blessing!

CHALLENGE!

We have a new challenge for our youth group! Bookmarks with Bible verses to be read each week. They also have questions on them that we discuss the following week. We want these youth to have a passion for continually learning and studying the Bible. One truth they have already discovered is that they should not just read the Bible, but putting what they have learned into practice so when hard times come, those words have already impacted who they are and how to respond. It is awesome to watch them grow in the Lord!

Peace, Cassy

The above picture was taken last summer. We will cherish our memories of Frances (Grammy) Ping (December 14, 1931 - March 13, 2022). During our summer trips, we spend time with her family. We love the times together around the campfire. Oh, she sure loved smores! She was a smiling supportive face at the tea parties. My (Chris) favorite time was just last summer while we were sitting on her porch swing chatting about life. Please be praying for her family (our dear friends) for peace and comfort.
