

REPORT: UKRAINE WAR RELIEF

APR-JUN

INSIDE GLOBE INTERNATIONAL

2022

FROM THE PRESIDENT

On February 24, 2022 Russia invaded Ukraine. Immediately, the global news media broadcast details about the invasion to the world. Almost at the same time, people who love Ukraine, and who saw the atrocities, aggressively responded. Globe was a part of that first response. Over the weekend of February 26-27, Alan Prouty, Globe's Director of Operations, initiated a campaign to raise \$50,000 for "War Relief." Alan has a personal interest in this nation. His wife Helen is Ukrainian. Alan and Helen met there almost twenty years ago when Alan was visiting on a mission trip. The Prouty family has invested in this nation for many years.

On Monday, February 28 Alan and I decided to increase the campaign to \$100,000. Other missionaries, who are working in Ukraine jumped in and started raising money. At this writing, Globe has raised **over half a million dollars!** In this edition of "Inside Globe International," we feature some of the things Globe personnel are doing to serve the Ukrainian people. Thank you for being a part of this amazing effort! You are deeply appreciated!

RELIEF SUPPLIES TO CHERNIHIV & MORE

By Alan & Helen Prouty

The **Globe War Relief Fund** is reaching into broken areas of northern and eastern Ukraine with food, water, and medications. Your generosity is giving them life, literally and spiritually, and is empowering us to:

- Deliver several tons of supplies into Chernihiv, Ukraine even though every bridge into the city has been destroyed.
- Purchase a van to transport people and supplies.
- Minister to people who cannot leave the country.
- Deliver groceries and medications to the homes of the elderly who cannot leave.

MISSIONARIES TO UKRAINE

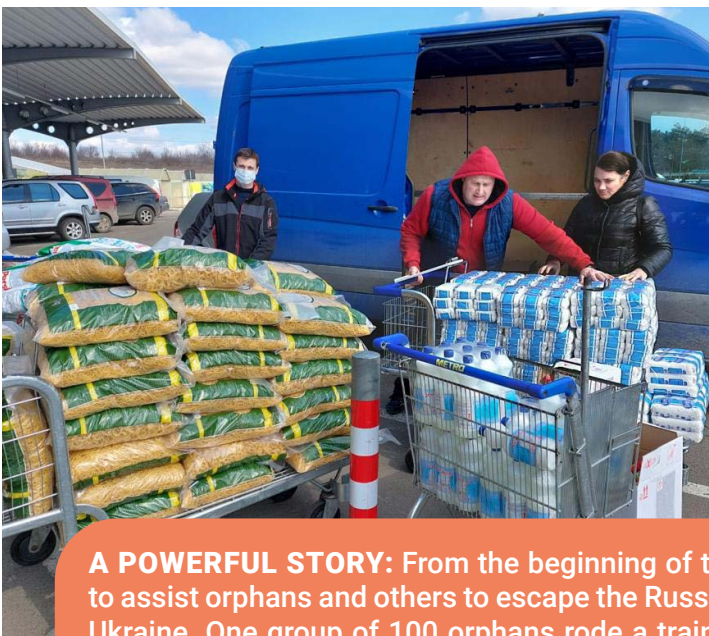

Madison & Yuri Perekotiy

The day after Russia invaded Ukraine, we opened the **War Relief Fund** to serve the needs of our beloved Ukrainians. Our supporters and friends stepped up in a huge way!

- A van for evacuations.
- Gear for medics and soldiers.
- Food and shelter for Ukrainians fleeing to the west.
- Funds for deaf Ukrainians to evacuate.

And this is just the beginning. We need wisdom to help meet long-term needs of displaced people, trauma and injuries from air raids, families torn apart, and many fatherless children.

We can do all of this because of Globe International and our partners. Thank you for giving. Thank you for encouraging. Thank you for doing ministry with us.

A POWERFUL STORY: From the beginning of the war, we began to assist orphans and others to escape the Russian military inside Ukraine. One group of 100 orphans rode a train at night through the heart of Ukraine's war zone while all lights and phones were turned off to evade being fired upon. The daring rescue took 38 hours just to get to Poland. Roads of Hope was the first American NGO to provide assistance to refugees as they entered Moldova.

ROADS OF HOPE IN MOLDOVA

By Joe Savage

God blessed us with a strong network of church partners in Ukraine and Moldova through which Roads of Hope has provided front-line care to thousands of fleeing refugees. We were the first American NGO to help at the Ukrainian/Moldovan border. We currently operate:

- Two centers that provide 350-400 refugees with shelter, safety, and daily meals.
- 47 children's homes that provide daily care and safety to 400+ orphans and young mothers with babies.
 - 2,100+ meals being prepared and served per day.
 - We also have provided more than 200 orphans and individuals with logistical intel that helped them escape the Russian military.
 - We have provided life essentials to orphans, sick children, the elderly, and the military inside Ukraine.

HELP FROM A NEIGHBOR:HUNGARY

By Michael & Shirley Bradley

Hungary borders Ukraine in the northeast. Our dear friend, Pastor Daniel of Torch Church, is serving refugees coming to Hungary. Hungary and Ukraine have been enemies for decades, but now the Hungarians have welcomed Ukrainians with compassion and generosity. For many years, Torch Church has also served Hungarian Gypsy congregations; they are now serving Ukrainian Gypsies too.

Daniel recently wrote: "We are helping refugees with transportation, food, and shelter. We pray for them too! After they are settled, we offer different Christian programs: a kids program, counseling, etc. We hope to open a house for 30-40 people."

Globe has sent funds to help this effort. Thank you for being a part of a global outreach that is showing the love of Jesus in this time of need.

RELIEF FROM GERMANY

By Del & Jeannie Penner

We have worked with refugees for seven years, but never with Ukrainians. Now Ukrainian refugees are everywhere!

1. We help to organize shipments to Ukraine: Food, necessities, and other essentials... like two large 50 KW generators that provide electricity at refugee centers.
2. In March our church welcomed 75 refugees, mostly from Ukraine. To solve communication challenges – German to Ukrainian – we bought headsets for translators!
3. A Ukrainian lady and her 13-year-old son are now living in our rental apartment. We are helping them adjust to their new life here.

Thank you for all of your support that makes these things possible!
