

BEACON  
of  
HOPE

JULY 2022

# Angie Wheeler

in Mozambique

## Hello from Mozambique,

Our youth have just completed their first semester of school, and most are passing. The good part is there are two more semesters to go so the ones who need to, can bring their grades up. Pray for our youth as just over a year ago many could not read and write and during Covid, schools were closed so much, and the school just passed everyone. With this to consider, they are doing very well. I'm grateful the boys are eager to learn and especially learn about Jesus. I truly focus on education as I feel it is the key to success in whatever God calls these young men of God to do. What I really need is more educational tools such as flashcards, school supplies, workbooks, etc. We need partners who love the idea of education and would commit to a monthly donation for school supplies which would be a tremendous blessing. God's vision for BOHA is so much bigger than we know and there are many ways to help us complete this work.

If you are not a monthly supporter, I would like to invite you to become one. Your partnership would be an amazing blessing to fulfill the needs of these boys and our surrounding community. Together we can continue to see God's plan fulfilled in the lives of these young men.

We were able to complete our garage for our vehicles to keep them protected and secure. I want to say thank you again to all who gave to make this possible. We are forever grateful. God's timing is perfect. He is never early and never late. I love this quote by D.L. Moody "If God is your partner, make your plans Big"

Thank you for your prayers and continued financial support. We could not function without YOU.

Jesus, we are your hands and feet in Africa and everything we do is for you. Thank you for all who partner with us to fulfill your work at BOHA. Lead us daily in your plans for this ministry and we will give you all the praise. Lord, bless all who read this letter and meet every need they have. Help us to sit in your presence and wait upon you and to know your heart as you guide us each day.

Let's Continue to be a Beacon of Hope,

- Angie Wheeler

Our new 3 car garage with storage room and in the future, a guest room!
