

The Randalls

Managua, Nicaragua

¡Hola de Nicaragua!

July 2022

Hola de Casa de Luz (Lighthouse)!

A Slice of Heaven on Earth! The teachers and staff from the School for the Deaf came and spent the day (and some spent the night) at Casa de Luz at La Boquita. In honor of Teacher Appreciation Day, we hosted the group of 48 teachers, staff and their family members. They arrived by bus early in the morning and spent the day enjoying the beautiful place, as you can see from the photos. We served a special meal and dessert. I had not realized what a gift this day would mean to all of these dear friends. One woman spoke up on behalf of all and shared they were not accustomed to being honored so highly. She acknowledged that even though they are very poor, they had a special gift for me. Then they all stretched forth their hands and prayed a beautiful blessing upon me! It was truly a gift from God!

Isabel and Roman are grateful for groceries!

Elijah's Pantry! I met Isabel a few years ago through her son, Bryan, who has been involved in the ministry to surfers. I had visited her home on the coast and had seen the impoverished conditions she and her family lived in. From time to time, we delivered groceries from Elijah's Pantry. Recently, Christina White, a missionary nurse, accompanied me to visit their home. We delivered groceries and Christina assessed their health. She found that they are suffering from illnesses related to poor diet. Pray for Isabel and her family to have the provision for every need they have. We are planning to visit them regularly to invest not just food that will bring health to their bodies but the Bread which leads to eternal life through Jesus.

Ahh! This is so much fun!

Maria Sarai loves attending Isaiah 29:18 Christian School for the Deaf

Maria Sarai, 11 years old, was born with Goldenhar Syndrome and is deaf. She almost always has a smile on her face. Maria Sarai has an older sister, and a younger brother. Her mother, Georgina, is a housewife and her father, Fostimo, is a deliveryman. His salary, like most Nicaraguans, is very meager and only provides for the basic needs of his family. Maria Sarai's medical needs are also a huge challenge for the family. Yet, they put their trust in God to provide. It was a joy for me to visit this family in their home, spending time talking and using signs with them. Thirteen extended family members live alongside them in their common house. They are a loving family but few of them know sign language so communication with Maria Sarai is limited. Maria Sarai loves attending Isaiah 29:18 Christian School for the Deaf where she learns through sign language, gestures, and the printed alphabet and numbers. It is an inclusive environment where both deaf and hearing students communicate without barriers. Your partnership makes this possible for Maria Sarai. Thank you for your prayers and support for the ministry to the deaf.

Ana Maria and her son, Samuel, send their greetings!

With much love and appreciation,

Mark, Kevin, Sarah, Leah, Anita
