EVANGELICAL MISSION FOR INDIA

August-September 2022

DEAR PARTNERS & FAMILY, \_\_\_\_\_

Greetings to you in the Name of Jesus who said, "All authority has been given to me in Heaven and on Earth; go therefore and make disciples of all nations, baptizing them in the name of the Father, and the Son, and the Holy Spirit, teaching them to observe all things I have commanded you and I am with you always, even to the end of the age."

I pray that you have had a wonderful summer! My summer was so exciting! My two sons and I were thrilled to make a trip back to our native India! We spent a whole month in Kerala! It had been more than six years since the boys had been there!

They were eager to visit the school they'd attended, the waterfall they remembered, and their cousins' homes! Even though Kerala's schools were in session in June, their cousins came to spend time with them, making new memories. One such memory was celebrating Micah's 13th birthday. He also got to learn to drive a scooter.

Flooding

As wonderful as our time together with family was, Micah and I had sickness that set our ministry back for days as we recovered. I was still able to visit some of our pastors. A few even came to Kerala to visit us! Pastor Jojo and his family traveled all the way from Jammu and Kashmir! The pastors and I were able to conduct a couple of zoom meetings too.

June, in South India, is the beginning of the monsoon season. The worst part is usually in July. This year was no exception! A few countries were totally under water! Pastor David Raju however, led us as we gave food packets and necessary supplies to the flood victims. Your donations helped us to meet their needs! Thank you so much!

As you continue to join us in prayer, please help us petition the Lord for:

1. Pastor KS John and his family. They are in the middle of construction of their new Church building and Parsonage.
2. Pastor Jojo and his family as they have to move out of their rented church. Pray they can quickly find a suitable place to worship.
3. My sister, Shina, had a scooter accident earlier this month. It left her with a broken shoulder, an injured arm, and a head injury. Please pray for her healing.

in His Great Mission  
- MP Shajan

P.S. Please consider becoming my friend on Facebook, if you aren't already. I provide photos and more details of our ministry there.
