

The King's Harvest

GO. BAPTIZE.
DISCIPLE. MULTIPLY.

Dear friends & family,

Our greatest desire is to preach the gospel of Jesus Christ and to disciple the people to follow Him.

"If our message is only one that says, "Jesus is loving, He will provide for you," it is not complete. The message must be "Jesus is Lord. If you follow His ways, His commands, He will give you a brand new life." - C. Anderson DMM's Frontier Missions

This month we had the privilege of hosting a team from Time To Revive Texas. Their experience is in evangelism and they came to pray with us over the city.

We took them off the grid to rural areas where the population was less than 100 people all the way to downtown San Luis Potosí where there were thousands of people walking the streets in the market place. The team had a positive experience in both places. We all felt that there are some open gates that we will be able to walk through spiritually in the coming days as the Lord leads and opens the gates.

In the city, we spoke with a young man "Javier" who was about 22 years old. During this encounter, Javier received the gospel for the very first time in his life. As he received the Bible and the team explained to him about our sins, and how God paid for those sins and redeemed us, his face lit up. When he was asked if He had heard the gospel story before, he said, "No, I have not." You could tell that the Holy Spirit was touching his heart in that moment.

The Project H.O.M.E. Training center was used for the first time to host the TTR team. The upstairs bedrooms and guest rooms were made ready for their stay. On Sunday evening, we hosted some local Pastors who came to collaborate about strategies for evangelism within San Luis Potosí. They too want to see the Kingdom of God established in all of Mexico. To see more information about Project H.O.M.E. scan the QR code below to go to our website.

Praise Reports: The TTR Team made it safely back to Dallas and the trip here was very encouraging for them.

Our friends Phil & Jami made it back safely to their home here in SLP and will be here a month.

Prayer Requests: For open doors in one of the newer areas that has a bible study started. We must pray for the land and take it back for the Lord. Pray for the light of His word to shine in the darkness.

Many states in Mexico like those in the USA are struggling with water supply including our area of San Luis Potosí. Please pray for rain.
