

The King's Harvest

GO. BAPTIZE.
DISCIPLE. MULTIPLY.

Dear friends & family,

The power of prayer never ceases to amaze us. At the beginning of 2022, the Lord had laid it on our hearts to have another person/family join us in spreading the Gospel in the surrounding area. Little did we know that there was a young local church plant, that was also praying for families in which to connect. We had several people who we met that came and then moved on to other opportunities. But, we did not give up on asking the Lord to fill the need.

Shortly after returning from Laredo in February, we met Luis and Harmony Dominguez and their three young boys of "Be Church." We quickly found that we had a lot in common and our mutual desire for creating an atmosphere of discipleship outside of and within the local church, in which we saw that it quickly became a reality. The Dominguez family also wants to impart the gift of serving the Lord among their children. Our oldest two daughters have been helping facilitate the Sunday school class which has been a blessing to all. We will be partnering with this family to bring the Gospel to the surrounding areas.

As you may have seen within our social media, Tynan and Luis go evangelizing together within the community where Luis lives. Among the villages high in the mountains, they have been receiving a lot of open doors and hearts. Tynan and Luis were led down a man-made path to discover a group of houses not connected to the main village. Their recollection of this adventure and the result of this story may surprise you. You can find this and other stories of God opening up doors for us on our new website www.thekingsharvest.org.

The amazing, God led team of Time to Revive Texas and the Mission Global Mexico team will join us again for a short four-day trip the 2nd week of November. Together we will be meeting with a local church for a time of prayer and seeking the Lord, as well as visiting a village up in the mountains for a time of prayer and worship. We must prepare the ground in the spiritual as well as the physical. We expect the Lord to move in a mighty way.

Our youngest son, Oren turns 7 years old this month. He has begun to speak more Spanish and his favorite thing to do at church is holding the sign outside as he greets the people. He is doing well in 1st grade and we are blessed with his child-like heart to serve the Lord and pray for people.

Praise Reports - We are praising the Lord for more laborers to help in the ministry as the fields are indeed ripe. Our oldest son Talon was able to purchase tickets to be here with us during his Christmas Break from J38. We are very excited for his visit.

Prayer Request - Please pray for the safe arrival of the teams who are planning to join us, they are arriving on November 14-17, 2022, and that we would all see a God-sized movement here in SLP.
