

THE PETERS FAMILY SERVING IN THAILAND

OCTOBER 2022

WHAT'S NEW?

The long awaited day finally happened... We had our in person graduation from Globe, our missions organization! We have been in training for over a year now and have gained a lot of knowledge and met a lot of great people on this journey. Traveling back to Pensacola for our graduation was a blessing in more ways than one. We were able to see old friends again and meet new ones! While being there, we were encouraged and loved more than we could have imagined. Our favorite thing about Globe International is that it feels like a family and we are always surrounded by warm smiles and friends who really care. We have finished schooling now and are focused on increasing in knowledge and enjoying relationships day to day. We are reading books and preparing for further training and education to help us go deeper into evangelism and village church planting.

FAMILY UPDATE:

Selah is crawling and saying "da da!" She is developing such a personality and loves to be around people. We are trying to soak up every minute that we can of her growing so quickly!

Shane and I are enjoying meeting so many new people as we are traveling and fundraising full time. We have recently met a lot of leaders in DMM (Disciple Making Movement) and have been greatly encouraged. We also have been practicing some Thai from Youtube which is quite entertaining and a lot of fun! We are waiting on Selah's passport to come in the mail and our Thai visas to be processed. Please join us in praying for this!

Prayer Requests:

- The process of getting our passports and visas
- Fundraising and developing deep relationships with partners
- Andre & Karen Provost, veteran missionaries, as they daily witness and evangelize to the Isan Thai Buddhist.
- Dylan & Lilly McCullum; also preparing their family to move to Thailand
- Pray that God reveals Himself to the Isan people. Pray that more Isan believers will catch the vision and that a village-based church planting movement will be ignited across Northeast Thailand.

Partnership:

We have reduced our budget for Thailand! God has provided for us and we are almost half way funded! Monthly recurring support budget is \$1,000 and we have raised \$350 in monthly support. Our startup funds to raise before January are \$20,000 and we are at almost \$8,000 now! Praise God! We are asking for nine people to partner \$25 monthly, five people to partner \$50 monthly, and two to partner \$100 monthly. This mission is possible because of partners who pray and give. Would you prayerfully consider partnering with us financially? You can give a one-time or an ongoing donation. Please scan the QR code if you will partner with us!
