

CHRISTY HEPNER

JANUARY 2023

Happy New Year! I hope you had a wonderful Christmas and a great finish to 2022.

In November, I hosted Thanksgiving for some dear international friends who are living in the area without family. We had a wonderful time together. It was a last-minute change as the original hosts were down sick. I enjoyed cooking my first turkey and hosting for the first time ever!

It's nice to be home a bit longer between Thanksgiving and my next trip: the Urbana Conference in Indianapolis, IN. December 26th we'll start the drive toward Indianapolis. With the snow storms projected in the Midwest, we're praying for safe travels. We'll be a team of four people attending as exhibitors at the conference. I look forward to meeting the young people who attend and feel called to missions. I'll update you on this event in my next letter.

Please pray with me for this upcoming year. I'm really seeking God as to how to plan my year. The past two years have been pretty full with travel to schools and conferences. I'll still travel, but plan to have a little more time between trips to also reach out and continue to build relationships with those I meet on the road. We need more workers to send to the harvest!! Please join me in praying that God would guide me to the workers He desires to send out.

We also continue to move forward with the Frontier Initiative to reach specific unreached people groups (ethnic groups with less than 2% Christian population and are unable to share the gospel without outside help). I'll also continue sharing with pastors about this initiative and inviting them and their churches to join us in this by adopting a specific people group, praying for them, sending short-term teams to work with these people, and sending or supporting long-term missionaries working amongst the people group. Please continue to pray with me as we continue to share with churches, begin taking short term trips here in the U.S., and begin planning for trips overseas.

Thank you so much for your continued partnership in this ministry. I'm so blessed to be doing this exciting work and to have you as part of the team. Please send me any prayer requests you may have as I'd love to also pray with you!

Wishing you a blessed 2023!!

With Love, - *Christy*
