

THE KING'S HARVEST

DISCIPLE MAKING MOVEMENTS
CENTRAL MEXICO

Dear friends and family,

The year is now 2023. After all that we have been through these last few years, who would have thought that we would make it through. Being on the other side of last year helped us to pause and see just how far we have come. We hosted many families in the mission house, a few short-term teams came in from Texas, we started helping a young church plant, and another village has a new discipleship study.

Among all of the things, we still made time for family, medical/dentist appts, and all the other necessary things to take care of with a large family. Our main discipleship groups continue to grow in their faith. They too find it a balancing act to share Christ with their neighbors as well as keep up the momentum in their jobs and family life.

We are excited about what the new year will bring. There will hopefully be more news with regard to the paperwork for Mission Global that was submitted about 18 months ago. This will be an official start to a Mission Agency here in Mexico for training, serving, and sending Spanish-speaking missionaries.

We are planning our return trip to the states for the months of April & May 2023. Three of our children and Tynan need to renew their passports which is a minimum of eight weeks to get processed. If you are able to host us for a few days in Texas, Florida, Alabama, Indiana, Missouri, Oklahoma, Kentucky, and Montana, we would sure appreciate it.

Praise Reports: We enjoyed our oldest son Talon coming to SLP for his Christmas break. He will graduate from J38 in May 2023. Please pray for him as he navigates his future plans.

Prayer Requests: Theodora (in our group) has been living with cirrhosis of the liver. She is married and has 3 young children. This weighs heavy on her heart

January 2023
