

# The Randalls

Managua, Nicaragua

¡Hola de Nicaragua!

**Wedding Bells at La Boquita!** We started out with an early morning surf session at Tsunami break at La Boquita beach. I noticed that Samuel, the groom-to-be, was wearing his 'Misión La Boquita' t-shirt, a gift from Surfers on Mission, Pensacola, Florida, when they came and stayed at La Boquita many years ago. The team stayed at the surf camp which is now Casa de Luz ministry center. Samuel was one of the first guys we met back then and has since come to know the Lord. Samuel and Jasely had their wedding ceremony at Casa de Luz this past weekend. What a beautiful day we had celebrating their marriage together with their family and friends at La Boquita!

**The ministry at La Boquita is expanding!** We hope you will join us on March 23 at the Rex Theatre, Pensacola, Florida at 5 p.m. CST. We'll be kicking-off a special event 'In Sync' to unveil 'Casa de Luz, La Boquita, Nicaragua' - a ministry center that reveals hope and redemption through the love of Jesus to the people of Nicaragua. Come and see what's happening!

**Would you prayerfully consider** helping us gain more partners to reach more people for the kingdom of God by hosting a group in your home - family, friends, co-workers, Bible Study, or whoever your sphere of community is? We'd love to come and share the vision of Casa de Luz! Available dates are March - May. Send us an email: [krandall.nica@gmail.com](mailto:krandall.nica@gmail.com) or give us a call via magic jack: 850-725-0809. We'd love to hear from you!

**Basking in the Beauty!** Our sewing class, which includes deaf women and interpreters, has added five more women. Gabriela, who is deaf, just graduated from high school and has joined our class. This is her first experience using a sewing machine and she seems born to sew! She was the first one to finish her project, a shoulder bag. Gabriela has a desire to attend college in the future with the help of an interpreter. Keep Gabriela and all of the other women lifted in prayer for open doors and opportunities to develop their talents to their fullest potential. As we are all gathered, sewing and creating, there's a beautiful feeling of being 'in sync' with God and with one another!

**Elijah's Pantry Outhouse!** Jerry, Marleny, and their three children are one of the families that receives groceries each month from Elijah's Pantry. Jerry is partially paralyzed from a motorcycle accident. Over the years, we have helped them in various ways, in addition to providing food. Recently, we installed an outhouse for the family. Thank you for supporting and praying for all of the families like Jerry's. They are so very loved by God and by us, too!

With much love and appreciation, *Mark, Kevin, Sarah, Leah & Anna*

**La Boquita Renovation Update:** Several surveys have been completed in order to begin the renovation of the existing building and prepare for the new construction of a ministry/vocational center. The current need is \$15,000 to begin the renovation phase. Please mark your gift: La Boquita Renovation Project. Thank You!
