## CURRENT NEWS | WORLD CHANGERS

April 2023

It seems Spring has arrived in our neck of the woods. We had a warm spell, everything has greened up nicely and the flowers are blooming. We live in peach country, and the trees were beautiful all decked out in gorgeous pink. As usual, it was cold on Easter weekend, but should warm up before this week is over. People are planting gardens, or getting ready to plant. I hope you enjoyed celebrating Resurrection Day with your church body and your family and friends. We enjoyed a wonderful celebration with our local church, followed by time with some of our family and several friends. It was cold but a beautiful day.

This month has been busy with Zoom calls to our interns and other missionaries. We have been helping one of our young couples who arrived on the field just two months ago. They have been dealing with an unexpected medical diagnosis for a member of their family. It is a serious issue and needs further evaluation in the U.S. and possibly surgery. As you can imagine, this is a very difficult time for this young family. Please pray for wisdom and healing for them.

We have another young lady who has been patiently pursuing a visa in a very difficult country to enter. She continues to persevere in waiting on God, but may soon have to choose an alternate location. She too needs wisdom and to hear God's direction.

There are a lot of good things happening within Globe, but also a lot of transition, which can be challenging as we all learn to "go with the flow" and move forward in new areas.

Please pray for all the Globe staff and Leadership Team as we pursue God's direction for the future.

We look forward to Globe's 50th Anniversary Celebration in May! I'm sure we'll see some of you during this weekend in Pensacola. How exciting to celebrate all that has happened and all that is to come! We are so thankful for your continued prayer and financial support! You help make all we do possible.

Blessings, - *Danny & Judy*

WE COULDN'T DO IT WITHOUT YOU! THANK YOU FOR YOUR PARTNERSHIP!
