

# GIVING *Comfort & JOY*

HUNDREDS OF ORPHANS  
SURVIVE WINTER

*On the Road*

WITH JOE SAVAGE  
SPRING 2023

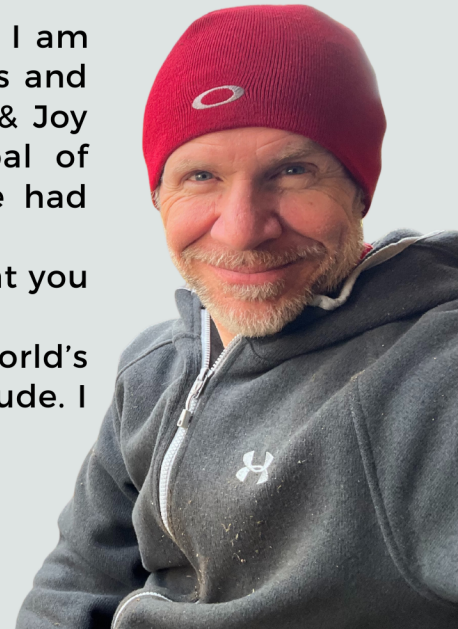

## A MESSAGE FROM JOE SAVAGE

As the cold winter gives way to the warmer days of spring, I am happy to report that we were able to keep hundreds of orphans and refugees warm and safe all winter! Thanks to you, our Comfort & Joy campaign was a huge success! We reached our financial goal of \$158,000, and we helped more orphans and refugees than we had initially planned.

I hope this report provides insight into the wonderful work that you are helping us achieve.

Thank you for helping us rescue and care for some of the world's most distressed orphans. No words adequately express my gratitude. I am honored to have you on this extraordinary journey with me.

Joe Savage

# GIVING ORPHANS COMFORT & JOY

FIREWOOD | COAL | CLOTHES | TOYS  
GENERATORS | LOVE | FOOD

## TRUCKLOADS OF FIREWOOD

When we pulled up to help unload firewood, I couldn't believe my eyes. There sat a tractor-trailer full of firewood for nine children's homes in Moldova. I knew we were buying a lot of firewood, but I didn't realize it was 18-wheeler loads totaling more than 15,000 pounds of firewood.

## TONS OF COAL

Coal for Christmas is what the children's homes needed, and it is what you provided! In total, you helped us to purchase over 15,000 pounds of coal for dozens of children's homes.

## CLOSETS OF CLOTHES

Your generosity provided hundreds of hats, gloves, coats, and shoes to keep orphans warm.

## PALLETS OF GENERATORS

Blackouts have left orphans and refugees without heat, lights, and water. You provided 38 children's homes and families with generators.
