DEAR FRIENDS,

Spring is finally here! What a joy to see the trees and flowers blooming.

The Scriptures tell us that “the righteous will flourish like the palm tree” (Psalm 92:12, NIV). We shall stand tall, live long and be fruitful — what a glorious promise.

In the last months, Path of Life reached pro-life friends in several different countries with the hope of Jesus. Rejoice with us in what the Lord accomplished.

ITALY: The visit to Italy, where we partnered with a tremendous pro-life ministry, was very fruitful. We were able to train forty-three women on how to start a prenatal center. An added blessing was that we were able to provide Provita and Famiglia with a box of fetal models that will be displayed in the national March for Life.

ISRAEL: Our visit to the center in Jerusalem was especially meaningful as we prayed with some precious saints and met with the director, Sandy Shoshany. We were able to bless the center with two boxes of life-saving fetal models.

INDIA: We are currently assisting a pastor in Manipur, a state in northeast India. The beautiful baby clothes we provided for the women he serves were so appreciated.

COSTA RICA: Our visit to Costa Rica saw us provide training in fundraising for the board and volunteers at a center in San Jose. We were able to give baby items to several centers there. We also visited a new center in Atenas and blessed them with a kit of fetal models.

COLOMBIA: In Bogota, we provided two sessions of training on human trafficking by way of Zoom to a total of eighteen women.

As the Lord opens up new avenues of outreach, new challenges arise. But nothing is too hard for our God! "And my God shall supply all your need according to His riches in glory by Christ Jesus" (Philippians 4:19).

PRAYER NEEDED:

- Please pray for me as I return to Colombia in July. I will be speaking to various groups and taking gifts.

Thank you so much for your faithful prayer support and your generous gifts. We love you and deeply appreciate you; you are an integral part of our ministry.

-Lissi
