May-June 2023

Ooops!!! Somehow May just sped by before we realized we had not sent out a newsletter, so this is a combination of this past month and things to come in June. As I write this, we are visiting our daughter in the Atlanta, Georgia area on our way back home to South Carolina from Pensacola.

50th Anniversary Banquet

The 50th anniversary celebration for Globe International was so wonderful! We enjoyed seeing many folks we had not seen in years. We had a beautiful banquet on Friday night followed by an open house at Globe on Saturday morning and a pizza dinner for the missionaries, past and present, on Saturday evening. The weather cooperated amazingly well and our hearts were truly filled!

On Sunday, we were blessed to join several of the missionaries at Charity Chapel for their Missions Sunday. The presence of God's Spirit was very sweet and many of us were moved to tears as several shared and Brad Thurston preached.

Danny and I were blessed to stay at Globe's Housing/ Training venue – The Launch Center. It was a full house as several single missionaries, couples and 9 kids filled the place with joy, laughter, and fellowship! We thoroughly enjoyed the time!

We will arrive back home in a few days and leave again in less than a week headed to DuQuoin, IL where we will participate in a Missions Conference at Liberty Church DuQuoin. This church has been part of our support team for many years and we always enjoy our time there.

In between travels, we continue to meet via Zoom with our interns, missionaries, and those interested in missions.

We have several families dealing with visa, green card and citizenship issues for spouses of several nationalities. Please pray they are able to get appointments for interviews, get documents needed and finish many other details which are required. Also pray for their patience and perseverance in the process.

Thank you for your prayers and support! We couldn't do what we do without you!

Love, - *Danny & Judy*
