Bill and Julie

August 2023

This month one of our team members suffered a stroke. Miracle after miracle occurred and a few weeks later, Mr. Sum is doing so much better. One day he came in from the fields and was having lunch when all of a sudden he could not move. He began to pray and God touched him so that he could move. He started seeing into the spiritual realm and saw there were demons fighting wanting to take his life. When Mrs. Gaan came in she noticed right away something was not right and he could not talk correctly or lift his arm. By the time they got to the hospital, the doctors said he had 30 percent chance of making it. Through prayer, God has restored him very quickly to the point where he was able to go home from the hospital after only a few days. The bill was miraculously paid for as well! His speech was affected and he is still a little weak, but he is making progress each day. He is listening and reading the Word of God which will renew his mind. Please keep him in your prayers.

Another team member, Mrs. Toy, has been believing God to work in her husband's life for several years. This month, Mr. Mong began showing an interest and went with the team on an evangelistic trip to Udon province. Last week he came to give his life to the Lord and was baptized! Praise the Lord! Bill has begun spending time with him to encourage him in his walk with Jesus. Please pray for Mr. Mong.
