THE GUTIERREZ

YOUR EXTENDED MINISTRY IN MEXICO THROUGH THE GUTIERREZ FAMILY JULY 2023

Hello and blessings dear partners and family that have decided to walk with us in the calling to rescue that which was lost and hopelessly existing.

As we realize the Word of God in the commission, our crazy methods to reach the lost and be in areas that many would not be, you have to ask why.

2 Cor 5:13-14 "If we are out of our minds in a blissful, divine ecstasy, it is for God, but if we are in our right minds, it is for your benefit. For it is Christ's love that fuels our passion and holds us tightly, because we are convinced that he has given his life for all of us. This means all died with him," TPT

It must be that people act crazy because of a high calling for the lost without Jesus. 2 Cor 5:18-19" And God has made all things new, and reconciled us to himself, and given us the ministry of reconciling others to God. In other words, it was through the Anointed One that God was shepherding the world, not even keeping records of their transgressions, and he has entrusted to us the ministry of opening the door of reconciliation to God." TPT

A couple with three kids have been married for over 17 years, walked with God all those years, and have struggled a few times with infidelity. Once more the same situation appeared. But this time it looked like there was no turning back and everything would be lost. The man wanted to leave his family and made plans for it already. He was working on a different state and away from his family for over a year. We found out about the issues that were going on. We prayed and prayed, and then talked to him and he denied everything we asked him. Then it became more openly known and seemed there was no help that could possibly change the broken family. We talked to him again and he denied again but this time we told him we had seen him, because I had. He confessed and I gave him time to tell his wife and kids of his infidelity and that

This are some of the people we called to minister to that are normal and in great need of Jesus today.

Ecc. 7:29 "Only see this which O have fud: that God made man upright, but they have sought out many divices" DARBY

Ecc. 7:29 "But I did find this: God created people to be virtuous, but they have each turned to follow their own downward path." NLT

he has planned to abandon them for her. The date came and he had not told them. He expected us to tell them but we had decided to bring the wife and confront him here. We paid for her bus ticket, and she came with the youngest of their kids.

She arrived here without him knowing and confronted him. They both were broken and hurt and now the whole family was hit with that destructive demon of adultery. It was a destructive thing and actively killing the union of

the man and woman and hurting the whole family.

She decided to stay and give him a chance to change and forgive him and start again with a new beginning.... Yes she did and was willing to let go. Now they and the kids that are 17, 14, and 11 years old have all painfully started to walk together in Jesus. We found out that he had a relationship for over a year with someone and wanted that relationship more than his own family! Why? But now, a new opportunity of personal, family, and marriage restoration and all because of Jesus. Maybe it is the story of many families, but this is one that we are living right now. We have quite a few that have gone this path already, and we are seeing that this that destructive way of living is becoming more common.

The absence of the fear of the Lord and His Word will mislead and deceive our hearts and affections. We are here to bring hope and God's instructions for a better living but we cannot push that onto them. They must read, pray, and obey for themselves. If they are hungry enough for it. We are here to be the salt and the light for Him. You are part of the plan, and you make some of these things happen. We have invested money, time, and love into them. They are almost fully restored right now. How much is this worth? A family of five has value to us. And if so, how much are we willing to invest to reach to them? How about those that are so depressed they are suicidal, or those that are lost on drugs and alcohol or anxiety? We are here and you are with us to be the instrument God can use for them to have a chance, even if it is their last chance. We do have names and last names for these stories, just would love to have them tell it first.

There is so much God is doing with families, kids and teens, young ones, and some elderly. We are grateful to be here and be trusted with these loved ones. Thank you Lord for trusting your people in our hands.

Thank you for standing with us in faith in what God is leading us to move to. "Some give, others go, and together we fulfill the great commission." We are so happy to have you as our senders and us to be the goers. Gracias.

Serving Jesus with gratitude and commitment,

– Jorge & Rosa Gutierrez
