

# Chossen Generation

chossen (Hebrew - bridegroom)

October 2023

Hello everyone,

Can you believe that fall is here among us? As I reflect in looking back at the year, I can see God's hand upon it in so many ways. His goodness is tangible and refreshing!

KINRICK KIDS IS BACK IN SESSION!!! Woohoo!! Our first week back was so fun! All the kids were very excited to be back and join in.

We were talking about how God is good and how we can make Him as our best friend. At the end of the puppet skit, we asked all the children if they wanted to say yes to Jesus. ALL ten children said YES!! Can you believe that?! Wow! Jesus and all of Heavens armies are rejoicing knowing they are walking with Him!

Some of you might remember me talking about a little girl whose mother had cancer but then at the end of the school year, she was told she was cancer free. We had all been praying for her and were delighted that she was cancer free.

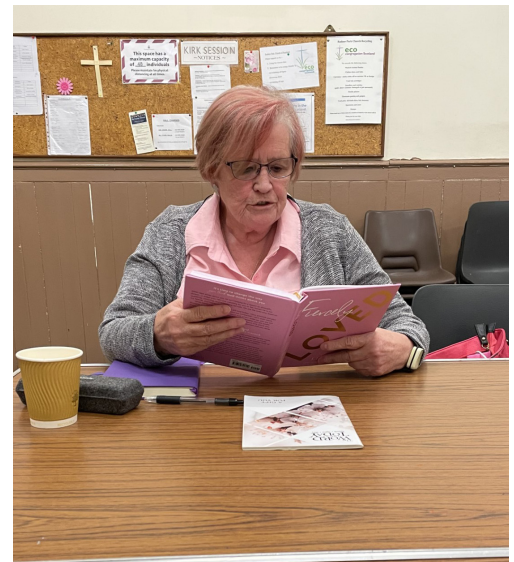

Unfortunately, since then the wee girl told us that her mom's cancer is back. She was saying how her house is full of drama and chaos just now and how when she comes to Kinrick Kids she knows that she can be her self, she loves being there and learning about Jesus.

Please pray for this wee girl and her mom. As the wee girl was telling us about her mom, you could see the hurt and disappointment on her face and her countenances was drawn and low. However, it was wonderful to see that as we went along with the day and activities for the day, you could see her face get brighter and she was smiling a lot more!

This wee girl knows the hope and joy of Jesus. Our prayer for her is that, even though it is tough, she won't give up and she will pass around to her family this same hope and joy! Please join me in prayer for them!

Helen reading the devotional for the Ladies Meeting

For the Ladies Meetings, we are still going through the devotional, "Fiercely Loved" and loving it so much! Every week each lady will come in and say how much she loves the book. How they read the specific

devotional for our meeting but then can't put the book down. A lot of them are saying that it is giving them more confidence to be the woman that God has created them to be and how He is answering their prayers. They are seeing Him work in their lives and do great things for them personally.

It has truly been a blessing to watch them grow and everytime we gather together, I get so excited at how God is speaking to them. He is so faithful!

Helen says, "What I've gotten out of the devotional so far is that God is always there with me and He has given me more confidence to speak out, especially when things are not quite going right.

I've learned to listen to God and let him guide me. Knowing He is there always gives me peace. Praise The Lord! Without Him, I would have nothing!"

At the end of our devotional we spend some time praying for each other and the things on our hearts. We go around the room and ask each person how they need to be lifted up. One of my favourites is from Cathie.

Cathie says that, just now I am so thankful to God for answering my prayer and bringing back my granddaughter to me. She was so lost and distracted by the world but now she is home. I know that He hears me and listens to me. He is my good Father!

Wow! Can you just feel that excitement in reading that?! Goodness! I am so thankful He has us on this journey together and that I am able to share this with you.

Thank you for your generosity in giving and your faithfulness in prayer. You are a treasure!

Love and blessings to you all,
