NOVEMBER 2023

Blessings from Mozambique,

It's incredible how quickly November has arrived. Our youth are working hard as the school year comes to an end. In just a few weeks, our youth will be heading home for the holidays. They will have the opportunity to celebrate with their families, and share the joy of the season while crafting unforgettable memories.

Your Extraordinary Impact!

Your unwavering support has enabled us to make a profound impact on the lives of these young individuals.

Because of you, Beacon of Hope – Africa helps clothe, feed, educate, and disciple the young men of Mozambique. Although we do not know what God's plans are or how they will be used by Him, we do know that giving them the advantage of and education and discipleship in Jesus are what they need to build a successful future. Your generosity and dedication have transformed the lives of our youth, and we are profoundly grateful for your partnership on this journey. Your monthly support makes a real difference, and with your help, we can continue to provide a brighter future for these remarkable individuals.

This is the time of the year that many like to give an end of year donation for the needs we have as we close out the year and enter the holiday season.

Christmas Fundraising Goal:

- Christmas meal with a small gift for each boy \$1000
- New bedding for each youth \$1000
- School fees for 4 youth /private school = \$1300
- School Uniforms and shoes = \$800
- New kitchen supplies for 2024 = \$500

We thank you for your continued monthly support and kindly ask you to consider a Christmas gift. This additional support will go a long way in ensuring that these young individuals receive the best education and care possible. Together, we can achieve our fundraising goal and make the upcoming year a success. Your kindness and generosity will help us bring hope, education, and a better future to these young men. Thank you for being a vital part of our lives and for helping us create a positive change in the lives of these incredible youth.

Jesus, all we do is for YOU! Pour out your blessings on all of us and continue to use us in ways that are beyond our dreams. Thank you for bringing us together to advance your kingdom one young man at a time.

Let's Continue to be a Beacon of Hope,
