## THE PATH OF LIFE NEWSLETTER

OCTOBER  
2023

### DEAR FRIENDS,

Greetings in Jesus' name!

We pray this newsletter finds you well.

Path of Life's mission is to stop the footprint of abortion through prevention, inspiration, and compassion. We have been busy fulfilling our calling.

Last month, Larry and I traveled to Colombia. We spoke in two churches and delivered two kits of fetal models and over a hundred pieces of brand-new, beautiful baby clothes.

What a joy to visit with the brothers and sisters speaking for the unborn and helping women embrace the hope of Jesus. We got to see Sonia, who chose life in 2019. She is doing well and serving God. Thank you for sending us!

Then I went to Costa Rica to visit my mother and family. It was a vacation, but I did not want to waste a trip, so I loaded the suitcases with fetal models and baby clothes. We blessed three centers! One of those fetal model kits will be taken to Honduras. It will be a great blessing in a new center. The center in San Jose, the capital of Costa Rica, has saved over 1,000 babies from abortion. Path of Life has helped them through the years. We blessed them with 4 wonderful fetal models that will touch everyone who sees them.

We continue to bless our friends in Bayamo, Cuba. We recently sent the new Cuban center a box with medicines, fetal models, and baby models. Six babies have been saved from abortion!

A kit of fetal models is on its way to a new center in Manipur, India. Praise the Lord!

Your prayers and support are blessing the nations.

**We thank God for YOU!**

*For you formed my inward parts; You covered me in my mother's womb. Marvelous are Your works ... My frame was not hidden from You, when I was made in secret, and skillfully wrought in the lowest parts of the earth. Your eyes saw my substance, being yet unformed. And in Your book, they all were written, the days fashioned for me, when as yet there were none of them.*
