Hello everyone,

As we celebrate Thanksgiving and the things I am thankful for; I am thankful for each one of you! You are a blessing and I cherish all your prayers and support. Thank you!

This month we had a Kinrick Kids club here at Overtoun House. It was so much fun!! So many amazing things happened!

The children were at the house for four hours. During that time, they learned that God is powerful, He has created and designed them for His purposes, that Jesus is always with them, and so much more!

It was amazing to see them take in all that was being taught to them. They learned Bible verses and heard from the puppet Dunkin too! He's their favorite! We had loads of fun playing games, doing crafts and even decorating cookies for snack time!

My favorite part is when we do the music with actions. The kids get right into the music and sing at the top of their lungs!! It's so sweet and I can't help but think about how God is up there smiling and joining in with us!

Our prayer is that He would show them just how much He loves them! Some of these kids have been coming since they started school while others like the Ukrainian children, haven't even heard of Jesus before and this was their opportunity to get to know Him. This is so cool!

During one of the memory verse times, Chris explained what it meant to ask Jesus to come live inside of us, to help us, and to become our best friend. When she finished, she asked the children if they wanted to say yes to Him and four children said yes!!! Two of those children were the Ukrainian children who had never heard of Jesus before! This is so amazing!

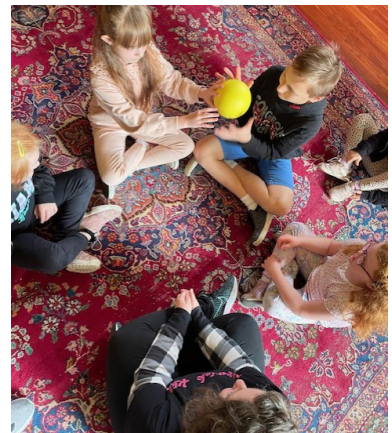

My heart is filled with excitement to see what God has in store for these children. To know that they can share Him with their families and friends. The horizon is their limit and we pray that they would have boldness to share God's love with others! Will you join us in this prayer?

Thank you for making ministering to children possible by your generosity and prayers! May God bless you above and beyond!
