

*Tidings of  
Comfort  
& Joy!*

The Perekotiys  
2023

**“ONCE IN OUR WORLD,  
A STABLE HAD SOMETHING IN  
IT THAT WAS BIGGER THAN  
OUR WHOLE WORLD.”**

Our favorite quote from C.S. Lewis comes to mind each Christmas season. The stable that held newborn Jesus also cradled the King of the world. *And He is why we have hope.*

In another hard year filled with suffering in Ukraine & around the world, we can still trust our kind heavenly Father. He is the God of the mountains & the valleys. *He is still good.* We pray you find rest in Him this season too.

*With love & hope,*
