*"Declare his Glory among the nations, his marvelous deeds among all peoples."*

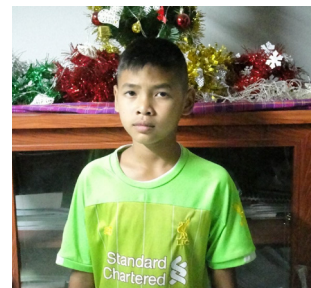

Bill and Julie Hughes

## Happy New Year 2024

After many days of travel and a few weeks at our daughter's family home in Tennessee, we are finally praising the Lord for a new year back in Thailand.

As we think back on the year and look forward to a new one, we can only utter the thankful words of the Apostle Paul in 1 Corinthians 15:10 "...His Grace which was bestowed upon me was not in vain." We pray that we can labor for Him in the harvest fields with the grace of God being upon us and with us.

Please keep praying for Mr. Sum, though recovering from his stroke, is still having trouble with his speech and with driving the team to outlying villages. Mrs. Gaan, his wife, is thankful that her son May has finished school and is able to help the family with the fields and also with driving and ministry. Her grandson, Bok, is now nearing secondary school and will enter a technical school in the city. We will be helping in sponsorship as we are able. It is amazing to me how the hand of God has been upon his life. Even though his mother and father have not been able to care for him, Mrs. Gaan and Mr. Sum have taken up the slack and we have seen the Lord do a beautiful work in Bok's life. He shares with his friends about Jesus and brings them to the house church in Wang To. Please pray for him as he enters school in the city, that he will stay true to Jesus and remain free from drugs and other harmful influences.

Recently the Lord has been adding to the team and we are excited about Mrs. Jay, Mrs. Pay's sister, who has been going out with the team holding meetings, evangelizing and teaching the people. She has been enthusiastic about sharing the Word of God. It brings us great joy to see this development. Also another lady, Mrs. Som, has been going out when she is able. We are looking forward to seeing who God will add to the team and training those he brings in. Please pray God will add new members to the team and also direct us if He would have us form new teams in other locations.

*Thank you for being a partner of this Gospel ministry! We love you!*
