

Honey Happenings

January 2024

Hello Friend

HAPPY NEW YEAR!

We had an AWESOME month! The Kinrick Kids Christmas Celebrations were well attended with the children and their families! We watched a *Charlie Brown Christmas*, played games, and made an ornament. The gifts were Charlie Brown themed (ornament, puzzle and pencil), Nativity stickers, sweeties and hats/scarves and Cassy's devotional. The principals at the schools were VERY happy with our blessing baskets filled with tea, coffee, hot chocolate, cookies and chocolate.

Our Christmas Eve church service was so much fun. Cassy led the music, Ryan handed out gifts with Rovercomer, and Ryan and I (Chris) used a huge Nativity set to do *What God Wants For Christmas*. Shuggie (AKA Ryan), everyone's favorite puppet, also came along to encourage us in our faith!

We enjoyed a day at one of the schools where we have Kinrick Kids during their Christmas Fayre. Rovercomer had his picture taken with the children! We had a game and handed out invites to our Christmas Eve service.

We received a message recently including this picture and saying they are ready to come early to our zoom call. Globe Kids is all about friendship, care and support and we LOVE seeing them every week! Doozer (puppet) shares a Bible verse, we talk about what is happening in their part of the world, play games and end in prayer. This family is heading on the mission field in France and we are praying especially for each of the girls as they will have many changes, challenges and exciting opportunities ahead of them.

Thank YOU for being on our team with your support in prayer and monthly investments! Not just a donation; but partnering with us to make a difference! Together, we are sharing the hope of Jesus and YOU share in the blessing!

60 DAYS OF FAITH AND FUN

Way back in 2020, I felt God tell me to write a devotional for our Kinrick Kids as a resource for them at home. Last year, we were able to resume Kinrick Kids, but we were not able to give them out. We have now started our second year using the book as the weekly curriculum, and it has been going great! This year at our Christmas party, we finally were able to give them out as gifts. It was such a blessing to me! It was great to see their excited faces as they received the book they have been learning from over the last year and a half. My prayer is that as they go through the book, they will have a deeper understanding of what God's love means for them! We are only allowed to show pictures of Kinrick Kids who had family with them during our parties. LOOK at those smiles!

Peace, Cassy
