February 2024

Hello Friend

Last summer was the BEST moment for Globe Kids (and us) when they met each other in person. Monday was our second BEST moment! Doozer showed up wearing a beret and speaking in French! He was trying to encourage the girls who just moved there as they were feeling overwhelmed. One child (whose family has been on the field for a while) got to help this family. The message from one GLOBE KID (who is 8) to the other children...Don't worry about how hard it is right now, because later, you won't remember it! We were surprised at the response that it made... From subdued, sad, or a bit fearful to ALL SMILES! There was a LOT of encouragement happening with the children for the children! Awesome day for sure! Afterwards, we received a message from the family saying one of the girls said that she is thankful for GLOBE KIDS. We are so thankful for this ministry as we help to provide friendship, care and support for these awesome missionary kids!

Neil (pictured) has been coming to Sunday School for the past seven years! He has learned so much and we are thankful he has said YES to FAITH in JESUS and pray that he continues to grow in his faith!

Thank YOU for being on our team with your support in prayer and monthly investments! Not just a donation; but partnering with us to make a difference! Together, we are sharing the hope of Jesus and YOU share in the blessing!

We have an awesome opportunity! We will be traveling to Pensacola FL early April to lead the children's ministries during the missionary retreat, Globe 180. We are looking forward to seeing Globe Kids during this time!

60 DAYS OF FAITH AND FUN...AGAIN!!!

Last month, I shared my excitement of getting to give out 60 Days of Faith and Fun to our Kinrick Kids. This month, I get to share more about the books!

I was contacted by a school club in Indiana who were asking to order books for their fourth-grade students. I was so excited to find out that they were buying enough for 65 students! When God told me to write this book, I was really only thinking of our Kinrick Kids. Past that, I was hoping for an opportunity for a few more copies to be used to help kids grow their faith. I would never have guessed that a school club half-way across the world would be using the books to work with their weekly ministry. Even now as I think about it, I am so blessed that God gave me this opportunity.

No matter who is reading the devotionals, my prayer is this; **Lord, please help them to grow in their faith in You. Please show them that You are good, and You are fun!** Peace, Cassy
