MAKING A DIFFERENCE ONE CHILD AT A TIME...

**"I praise you, for I am fearfully and wonderfully made.
Wonderful are your works; my soul knows it very well." Psalm 139:14**

This newsletter is dedicated to ALL the precious children who have come through our gates over the last 21 years. We thank God for these kids and for the opportunity to show His love to each one of them!

PLANTING THE WORD DEEP IN THE KIDS' HEARTS...

"Your word is a LAMP to guide my feet and a light for my path." (Psalm 119:105)

Classes 7 and 8 started a new Bible Reading Plan where the students will read through the Bible in one year! The students spend 30 minutes each day, and on Sunday. The house parents encourage and lead them in small group discussions on what they've learned.

Each student received a discipleship kit which includes a Bible, Scripture memory cards, and a journal. In the journal is a LAMP guide (Learn, Apply, Memorize, Pray) to help them note what they've learned/observed and how they can apply it.

HELPING OUR FAMILIES ~ PARENTING TRAINING...

We recently held parenting training sessions in 5 surrounding areas. Using Bible stories, the parents were encouraged to be exemplary role models for their children in their words and actions. They also received awareness training in childhood trauma and in trauma informed care so they can best help their children. Those who attended received wheat flour, sugar, rice, soap, tea, and cooking oil.
