THE PEREKOTIYS

MISSIONARIES TO UKRAINE

SERVING VULNERABLE CHILDREN, FAMILIES, REFUGEES + THE UNREACHED, THAT THEY WOULD
PRAISE + PROCLAIM JESUS CHRIST IN UKRAINE + AROUND THE WORLD!

TWO YEARS

Two years ago on February 24th, 2022, everything changed. Russia invaded Ukraine in a full-scale attack. Ukraine continues to be torn apart – infrastructure, families, businesses, and the future prosperity of the nation. The resiliency of the Ukrainian people is astounding. *After two years of this tragedy*, how much more can they take? We pray daily for the war to end, for the Lord to bring peace to Ukraine, and for those who do not know Jesus to find and follow Him amidst their suffering.

2 YEARS OF CHRISTMAS CELEBRATION
FOR DISPLACED UKRAINIANS

Because of your prayer, support, generosity, and advocacy, we have used the Relief Fund with Globe International to bring aid and Gospel hope to thousands of Ukrainians. Our Ukrainian partners work tirelessly, continuing to serve in harrowing circumstances. Listed here are just a fraction of the stories from the Relief Fund – THANK YOU for being a part of this! Alice and Len are one of the families we sponsor monthly, including her deaf and blind grandmother. During the war they welcomed twin boys into their family, while continuing to care for elderly relatives and serve the deaf community in Odesa.

Two more Ukrainian families need sponsorship immediately!

They lost employment because of the war and need support to care for their children. To cover this need, we are praying for \$500 collective monthly giving. If you feel led to partner with these families for any amount, please visit the link or QR code on this newsletter to contribute a tax-deductible donation to the Relief Fund. We are grateful for this community who continues to support Ukrainians in need!

FAMILY UPDATE

In February and March we get to celebrate our boys! Lev turns 9 and Chambers turns 11! Lev is loving 3rd grade, especially History class when they learn about Greek mythology. Lev has a kind, attentive heart. Chambers also loves Greek mythology and all things history. He is growing into a smart and capable young man! We pray that this new year of life would bring bravery in new opportunities and a deeper walk with Jesus!

We have been in Bucharest nearly 7 months! In some ways we are very settled – our apartment is our little safe haven, the school routine is helpful, the kids have made friends at school, and we are building relationships with Ukrainians. In other ways, we constantly feel like newbies with the language barrier and attempts to understand this new culture. **Please pray for us during the good and hard days** – that we would trust God's provision and kindness to us in this journey.

The internship would include providing educational support to one of our children in partnership with the school and serve our family as we grow ministry. in Christ, Madison + Yura

PRAYER NEEDS

- Praise God for the Ukrainian church we have joined! Yura has been able to serve this faith family by teaching and leading services with another Ukrainian pastor, Aleksander. This pastor still shepherds a congregation in Odesa, so his time is split between Ukraine and Romania. We really enjoy fellowship with the other believers there.
- Please pray for the S* family who are not believers yet, but have started to attend church with us..
- Pray for unity among those of us who serve and for deeper relationships to flourish.
